BULGARIA

Women's programmes

In the Bulgarian Prisons currently there are no specific programmes for women who have suffered gender violence within intimate partnerships and are in prison. However, within the SPREAD project, one pilot project will be implemented during 2009-2010.

Men's programmes

In the Bulgarian Prisons there are no specific programmes for men who have committed gender violence within intimate partnerships and are in prison. However, within the SPREAD project, one pilot project will be implemented during 2009-2010.
